## Member Profile: President- Elect, Dave Lacompte

I was thrilled to see Dave accept the nomination for club president at our last meeting. I have found Dave to be a very nice man. I am sure he will do a great job for WVSR this year! You might see Dave and his wife Kathy driving that '36 Chevy "rat rod" style bus. He obtained that from a Portland collector car swap meet, but the real story is that red '27 Model-T he has.

The story behind the T goes something like this....

" I have had the T since 1978" Dave says in his radio announcer voice, I traded Boyd Jorn " Dave continued, "When I got the thing it was a pile of parts, it had been someone's project off and on for years, it had been a project of John Wood's at one time!" It must have been a "keeper" for Dave however, he has had it for 34 years.

High school certainly changed Dave's life for the better, he met his lovely wife Kathy ( whom he married in 1973), and became a member of a hot rod club, Willamette Valley Street Rods at the urging of a friend he met in 1970, Our own John Stanton. Dave has been a member since 1972.

Dave and his wife Kathy own and operate (with help from their daughter Kimberly) the Brooks Tree Farm. They also have a son who is a mechanical engineer living in Seattle. Dave began his nurseryman job in 1980. That is a lot of Christmas trees folks!

I am sure it was not an easy time to be giving the Member-at-Large a telephone interview, Christmas is just around the corner, but he was gracious and eager to answer my questions. When I got to the part where I say "what was your most embarrassing moment", Dave just sort of drew a blank, but then he said "Being elected President! It is humbling." This is the first office Dave has ever held.

Please make Dave feel welcome as the new President! Help any way you can, and always let him know you appreciate his efforts! In

fact all the members who take on the responsibility of an office to further our club deserve our thankful appreciation and support. It is my pleasure to present this member profile, Dave Lacompte, a pretty cool guy!

## Volleyball: WVSR Back In The Winner Circle.

Saturday, November 9 the Rollin' Oldies Car Club volleyball team from Lebanon arrived in Salem. They had defeated the WVSR team in the last meeting and were eager to repeat as winners. Alas, it was not to be - WVSR defeated the visitors 8 sets to 1.

Thanks to the Cartwrights for organizing these games. The games are more of a social event than a competition, everyone has fun and the snacks are enjoyed by all. We are looking forward to the next competition with our good friends from Lebanon.

Plan on coming out for the next contest for which a date has not yet been set, you will have fun! Athletic skill is not a pre-requisite.

Jim Palmquist Article and photos

We had a great time with the Rollin Oldies! It was fun to have several of their kids on their team... I always love to see the young people involved ...made me think we ought to invite our grandkids to join us next time. It was also fun to have several of our new members join us. Fun way to get to know each other better. We all had a fun evening and really appreciate Dave & Sherri Cartwright for setting this up at their church. We actually won five games, lost one this time !!! so Dave was grinning ear to ear. Thanks to everyone for coming out and making this Saturday night one to remember!
