Wow the weather has been good when it counts this month. I spent 2 clear weather days at the Portland swap meet and a sunny Saturday at the Cherry Blossom Poker Run. Both events were very well attended and fun.

This month's activities include:

May 4, Friday eve, Silverton First Friday

May 5, Shop tour and open house at Charley and Janet Wulfers new home. Watch for an e-mail with details.

May 12, Portland Transmission Warehouse "open House" and "Papa's Toys" you can arrive at Portland Trans at 8:am, then go to Papas Toys at 11am. I highly recommend these two events. If the weather is ok I will be there.

May 18, Friday 5-8pm Linn County Lamb and Wool Fair cruise in. Russ will DJ this one. There will be a club participation and many other awards. I would like to see as many members as possible "show up" for this one so we can win as a club.

May 19, 10-3pm "Kiezer Rev Up Renaissance" Car Show at the Renaissance Inn on River Road.

May 25, 9am-2:30 Silverton Auto Club Auto Show at Silverton High School Auto Shop.

Every Thursday is the club Model 'A' project at CJ's at 5:30pm

## And so another project begins - workers & parts are needed

The Club T sold to the Lions Club who expect to donate over \$30,000 to Doernbechers Childrens Hospital with the proceeds. Now the thursday Night Gang is bored so we have started another project, again with the goal of selling the car when finished and donating the proceeds to local charities.. This time its a 31 Model A. The car has been purchased, planning meetings have been held, and a beginning budget has been approved. Want to have some fun? Come join us any Thursday night after 5:30pm at CJ's Hot Rod Shop at 4295 22nd Ave NE in Salem. All club members are invited and you don't have to be a "master rod builder" to be involved. All skill levels are needed and welcomed.

The A will be built from the ground up with a very limited budget to maximize our donation to local charities when finished. We are planning on powering it with a small block chevy motor with auto transmission and need everything except for the body and frame. If you have any parts laying around your shp you might consider donating or selling at a reasonable cost, please contact us.

Foreign cars and some antique stuff. Also, a bunch of repair manuals. Mostly Chiltons manuals on cars from the 70s and 80s. Also a bunch of Toyota manuals. I am also getting rid of a lot of magazines: Hot Rod, Street Rod, Car Craft, Rod and Custom, Super Chevy and many more. Let me know if you are interested in any of it.
